- 85,12,Z Medical practice,
- 85,14,A Paramedical activities
- 85,14,B Ambulance activities,
- 85,14,C Activities of nurses and midwives,
- 85,11,Z Hospital work,
- 91,33,Z Activities of other membership organisations, elsewhere not classified

Stowarzyszenie was registered on 23.05.2003 in the Register of Associations under number **KRS 0000162022**

The duration of Stowarzyszenie, pursuant to the articles of association, is unlimited.

2. Presentation of the financial statements

Stowarzyszenie presents the financial statement for the trading year started on **01.01.2016** and ended on **31.12.2016**

3. Comparability of data

This financial statement includes the financial data for the period 01-01-2016 to 31.12.2016 and the comparable data for the trading year 2015.

4. The applied methods and rules of accounting

The financial statement has been drawn up pursuant to the requirements of the accounting act of 29 September 1994.

Stowarzyszenie drafts up the profit and loss account in the form specified in the annex no. 2 of the regulation of the Minister of Finances of 15.11.2001 as regards the detailed rules of accounting for some entities that are not commercial companies, not managing business activities.

In the financial statement, Stowarzyszenie presents all events according to their economic contents.

The financial result of Stowarzyszenie for the given trading year includes all the proceeds achieved and allocated for it and the costs related to these proceeds on the accrual basis, commensurancy of proceeds and costs and prudent valuation.

4.1.1. Proceeds

The proceeds of the entity include the received funds and other financial assets from the sources set forth in separate regulations of the law and the act of association, including the received fees as specified in the articles of association, the items of the assets received free of charge, as well as the amounts due from sales of the items of the assets and financial proceeds, subsidies and subventions.

4.1.2. Costs

Stowarzyszenie records the costs in the books of account by type and by the origin of the cost.

The costs of activities of the entity include the costs related to fulfilment of statutory tasks, including also the benefits specified in the articles of association. The costs also included the administrative costs of the entity, in particular salaries and social insurance and other benefits for employees and other persons, depreciation or amortisation write-offs for fixed assets and intangibles, consumption of materials and energy, third party services and other costs of administrative nature.

The following also affect the financial result of Stowarzyszenie:

- Other operational proceeds and costs indirectly related to the activities of Stowarzyszenie in the scope of, among others, profits and losses on disposal of non-financial fixed assets, updating valuation of non-financial assets, establishing and dissolving provisions for future risk, penalties, fines and damages, receiving or giving donations,
- Financial proceeds from interests.
- Financial costs for interests,
- Extraordinary losses and profits resulting from events difficult to foresee not related to the general risk of managing Stowarzyszenie outside of its operational activities.

4.1.3. Taxation

The income from the statutory activities of Stowarzyszenie are free of tax in accordance with Art. 17.1a of the corporate income tax act.

4.2. The balance sheet

4.2.1. The intangibles

The intangibles are valued at purchase price less depreciation or amortisation write-offs. The intangibles with the unit value up to 3,500.00 zł are depreciated on a one-off basis, not earlier than after accepting the intangible item for use. The intangibles with the acquisition price of over 3,500.00 zł are depreciated during the period of:

3. computer licences and programmes 24 months

1) copyright 24 months

2) trademarks 60 months

3) other intangibles 60 months

4.2.2. Fixed assets

The fixed assets are valued at purchase price, costs of manufacture or post-revaluation value (after updating the valuation of the fixed assets), less depreciation or amortisation write-offs, as well as impairment write-offs.

If determination of the acquisition price or of the cost of manufacture is not possible (reception free of charge, donations, disclosure of surplus, etc.), the initial value is determined at the level of prices of sale functioning in the market with the wear taken into consideration or at the level of the fair value determined in a different way.

The amounts of depreciation write-offs are determined with the linear method. The adopted rights and principles of depreciation reflect the expected economic wear of the fixed assets.

The fixed assets with the unit price of acquisition equal to or lower than 3,500.00 zł are depreciated on a one-off basis on their release for use.

4.2.3. Tangible items of current assets – none.

4.2.4. Receivables are valued in the payable amounts, with the prudence principle maintained (less updating write-offs).

4.2.6. Settlements for prepaid expenses are made if the incurred costs refer to future reporting periods. – none in 2011.

4.2.7. Own funds are recognised in the books of account in the nominal value according to their types and principles specified with the regulations of the law, of the articles of association.

The reserve fund: none.

The reserve capital from updating of valuation of tangible assets: none.

4.2.8. Provisions: none

4.2.9. Liabilities are valued as at the balance sheet date in the payable amount.
